

# SPORTGAME PB

**Engineered for Safety and Performance in Pickleball**

## Proven

Engineered to optimize authentic pickleball play from a company with over 45 years of experience building game courts.

## Performance

Specially engineered to maximize performance while optimizing safety for pickleball players of all ages. The UV stabilizers and patented formula keeps your outdoor court looking and playing at peak performance for the life of the court.

## Ball Response

Developed to optimize ball bounce and response for pickleball, with the added benefits of injury protection, maximizing play.

## Safe

Lateral Forgiveness™ technology absorbs shock, lessening impact and risk of injuries, and SportGame PB's textured surface and tile formulation provide the balance between wet and dry traction and low skin abrasion keeping athletes safe.

## Trusted

Sport Court is the Official Modular Tile Surface Partner of USA Pickleball and is featured at Professional Pickleball Association tournaments as the Official Portable Court of the PPA Tour. Players of all skill levels can experience the playability and benefits of the SportGame PB products at the grand slam tour events.

Sport Court® is proud to be the official court of the most demanding athletes in the world.

\*NCAA is a registered trademark of the National Collegiate Athletic Association.

**World's Largest Courtbuilder™**

# Rely on the World's Largest & Most Experienced Courtbuilder™ Network

- Sports surfaces are not typical everyday purchases, so trusting your Courtbuilder™ is important
- Rely on over 45 years of experience in construction, service and maintenance of sports surfaces
- Ongoing service and support is provided by local Courtbuilders who live and work in your community

- SportGame PB surface provides lowest skin abrasion compared to traditional hard court surfaces like acrylic and concrete
- The UV stabilizers and patented formula keeps your outdoor court playable, even at surface temperatures up to 165°F
- Patented Lateral Forgiveness™ to reduce your joint strain and fatigue
